**INSPEKTECH® CIRCULAR:
ESSENTIAL SERVICES & TRAVEL BETWEEN HEALTH ZONES: EXEMPTION**

InspekTech® and their Field Inspectors and/or Field Assessment specialists provide assessment services to the insurance and finance industry throughout British Columbia. **InspekTech is an Essential Service** under “Financial Institutions” and “Insurance assessment and adjudication providers” as well as under “Banks and their branches”, servicing same (Sources: Emergency Management BC, <https://www2.gov.bc.ca/gov/content/covid-19/info/essential-services>).

Under **Emergency Management BC** in consultation with other government ministries and the **Provincial Health Officer (PHO)**, “essential services should and are encouraged to remain open”.

- **InspekTech®** is an essential service. In order to continue providing the essential service, InspekTech® personnel may be required to travel between Health Authority zones.
- Senior Management at InspekTech contacted the **BC Provincial Services** and confirmed that **ESSENTIAL SERVICES ARE EXEMPT FROM TRAVEL RESTRICTIONS** between all BC Regional Health zones.
- InspekTech is an essential service. Personnel are exempt from travel restrictions between Health Authorities when performing InspekTech services.

This document is a subset of the **InspekTech COVID-19 Site Protocol Safety Plan** (see: <https://inspektech.com/inspection-public/c19/>). Should you have any questions or require clarification, please contact us.
